Mr. T. Nelson
Systems Consultant
Box 32
Schooleys Mountain, New Jersey

Dear Mr. Nelson:

Following my letter of July 13, we are wondering whether you have any interest whatever in the suggestions made in that letter, and if not, I would greatly appreciate a definite reply from you as we are setting up our plant schedules now for the year, and would like to include any requirements that you may be considering.

Sincerely,

William Bonyun
